MAIL BOX THIEVES ACTIVE

Five Letter Receptacles in South Part of the City Are Broken Open.

NO MEANS OF KNOWING WHAT IS SECURED

Federal and Police Authorities Working on Case, but Up to Date Have Secured No Clue to the Perpetrators.

Letter carriers, on making their, first ounds yesterday morning, discovered that five mail boxes in the south part of the city had been broken open during the night. In each case the door by which the carrier takes out the mail was found to have been pried open, evidently by a jimmy or steel chisel. What the thief or thieves secured is merely a matter of conjecture, but indications are that a number of letters were carried away.

The mail boxes broken open are located at Tenth avenue and Main street. Thirteenth avenue and Third street, Sixteenth avenue and Third street, Seventeenth wenue and High street and Twenty-first avenue and Tenth street.

The federal authorities and police are working on the case, but it is said that up to last night no clew had been obtained as to the gullty parties.

PROPOSAL PACKING PLANT Mass Meeting Called to Discuss th Offer of the Kansas City Promoters.

The executaive committee of the commerdal club has decided to call a mase meeting n the city hall next Wednesday night at which time Charles E. Sweeney of Kansas City, one of the promoters of the American Dressed Beef company which seeks to establish a plant in this city provided a sufficient inducement in the shape of a bonus is offered, will present the advantages to be obtained by Council Bluffs by inducing his company to come here.

This mass meeting has been called by the ommittee at the suggestion of W. B. Reed, secretary of the executive committee of the Commercial club. Mr. Reed made a visit to Kansas City to investigate the standing of the company which offered to establish packing plant in this city. His investigation disclosed the fact that the American Dressed Beef company was as yet only or paper. The company is organized under the laws of Oklahoma but is said to have clans in negotiation for establishing plants in Leavenworth, Kan.; Dallas, Tex., and Council Bluffs.

Mr. Reed was assured that the company while composed of young men had ample financial backing and that McSweeney, one of the promoters, who will present the proposition to the mass meeting here, has for a number of years been connected with one of the packing houses in Kansas City. According to the statements made to Mr Reed the company proposes to expend at least \$200,000 in buildings here provided a site of twenty acres is given it. In addition to the site the company asks that stock, and further asks a bonus of 25 cents a head for cattle killed up to the number of 500,000, or in other words a bonus of \$125, 00 when the company's plant here reaches a business of 500,000 head of cattle a year. Mr. Reed was informed by the promoters that the company anticipated employing about 800 men in Council Bluffs and that the annual distributive sales of the plant would amount to not less than \$15,000,000. In fact, according to the information received by Secretary Reed the company expects to do a business equalling if not ex ceeding that of the large packing houses in South Omaha.

MRS. BLYDENBERG UNHAPPY Evidence in Murder Trial Shows She Wanted to Leave Her Husband.

ELDORA, Ia., Jan. 22.-But little progress was made today in the trial of Eben S. Blydenburg, on trial for the alleged poisoning of his third wife. Witnesses testified to the sale of arsenic and to dissatisfaction expressed by Mrs. Blydenburg prior to her death and to her having deermined to leave her husband. Blydenburg, who was a Sunday school teacher and deacon in the church and a philanthropist, was arrested in October last. Evidence has since developed tending to show that two other wives also died violent deaths. Emily Hawkins, Blydenburg's first wife, died mysteriously at Stoneybrook, L. I., five years ago.
